Invitation

Dear Attendees,

Pagicle is proud to announce the 2nd Global Congress on Healthcare & Patient Safety, to be held on July 29 & 30, 2024 in Berlin, Germany.

On this auspicious occasion, Healthcare Congress 2024 invites participants from all over the globe to take part in this flagship conference with the theme “Emerging Prospects on Healthcare and Patient Safety”. Healthcare Congress 2024 aims to affirm knowledge and share new ideas amongst Academicians, Scientists Professionals, industrialists, and students from nursing and healthcare research areas to share their research experiences and indulge in brainstorming discussions and technical sessions at the event. The conference will also have a space for companies and/or institutions to present their services, products, innovations, and research results. If your company/organization is interested in participating in this event, then please let us know have put together a program taking into account your interests. We have not only increased the number of opportunities for you to network with colleagues around the world, but we have also introduced additional target sessions which will include cutting-edge presentations, special panel discussions, and more lively interaction with speakers from different spectra.

This exciting and informative conference includes Keynote lectures, Oral sessions, symposia, workshops on a variety of topics, poster presentations, and various programs for participants from all over the world.

Attend the Healthcare Congress 2024 with your peers, exchange experienced knowledge, and arm yourself with the most recent Innovations to enhance further in your career.

We look forward to meeting you in Berlin, Germany 2024.

Best Regards,
Healthcare Congress 2024
Pagicle

About the Event

Healthcare Congress 2024 offers a tremendous opportunity to meet and make new contacts in the field of Healthcare & Patient Safety, by providing collaboration spaces and break-out rooms with tea and lunch for participants between sessions with invaluable networking time for you. It allows participants and delegates to have issues addressed in Healthcare & Patient Safety, by recognized global experts who are up to date with the latest developments in the field and provide information on new techniques and technologies. Healthcare Congress 2024 is an International conference that will feature world-renowned keynote speakers, plenary speeches, a young research forum, poster presentations, technical workshops, and career guidance sessions.

Healthcare Congress 2024 creates an international forum for Professors, Academics, Researchers, Scientists, Healthcare professionals and Business Entrepreneurs worldwide to discuss the latest issues.

The Conference will have an area for firms and/or establishments to gift their services, products, innovations, and analysis results. If your company/organization is inquisitive about taking part in this event, then come and be part of this.

Reasons to attend Healthcare Congress 2024

- Up-to-date research, current and emerging Nursing trends, new technologies, and tools are exclusively discussed at the conference. Do not let old and outdated information hold you back!
- Discover how other research can play a key accelerator role in your work and give you a competitive edge in achieving precision in desired results. Discover better ways to innovate, collaborate, work, and report.
- Get inspired by talking face to face with thought leaders, subject matter experts and peers. Tap into their knowledge; discover innovative services that can benefit your research work.
- With participants representing many countries, your ability to engage with global sustainability leaders and your opportunity to see your work from a global perspective will be worth it.
- Each presenter will have some time for a Q&A session after their presentation, where you might receive questions about a challenge in your workflow or are looking for advice on implementing new techniques in your work. Hence, you will get some solutions and tips, which might be helpful for you.
- An idea is usually generated intentionally and created unintentionally. Ideas are often formed during brainstorming sessions or discussions.
- Bring your expertise to the local level and help the community through collaboration and networking. If you would like to speak at the conference, please submit your content ideas and boost your professional status.

Why to Sponsor?

Sponsorship powerfully influences the audiences more than any other tool. It is a direct cost-effective way to capture your target market. Aside from valuable brand exposure throughout the event campaign and during the event itself, sponsorship is your route to addressing our audience with your knowledge and experience through our unique program of conference and learning sessions.

Our sponsorship packages are customized to our client's specifications. We understand that every business is unique and will work with you to develop a package that meets your business's individual goals and objectives.

Exhibitions allow you to advance all your marketing goals:

- Long term building
- Generating media coverage
- Engage with loyal customers
- Teaching new prospects about offerings
- Promote your services to potential clients
- Teaching new projects about your offerings
- Showcase your products to the event attendees
- Establish partnership with key players in the value chain
- Establish collaborations with other companies and individuals
- Identify prospective clients among conference attendees and organizations they represent
